A HEROIC REMEDY!

HENRY'S

CARBOLIC

CONSTITUTION

RENOVATOR!

Based on Science, Prepared with Skill,

and all the available ingenuity and experience, that the art of pharmacy of the present day can contribute. And

COMBINING IN CONCENTRATED FORM THE MOST

VALUABLE VEGETABLE JUICES

Known in the history of Medicines for

PURIFYING THE BLOOD,

Imparting

NUTRITION TO THE SYSTEM,

Tone to the Stomach,

And a Healthy action to the Liver, Kidneys, Secretive and Excretive Organs.

A DYING ZOUAVE

lay breathing his last on the battle field, his companions surged on and left him alone. They knew the cause of his approaching end. It was the deadly bullet. No friendly voice could cheer him to life—no human skill could save him.

Thousands of Precious Lives

are to-day as rapidly sinking, and as surely tottering on to an untimely end, in Suffering, Agony, Wretchedness, and

Ignorance of the

cause which

Science can arrest and assuage,
Nourish into new Life and Vigor,
And cause the Bloom of Health
To dance once more upon their withered Cheeks.

DISEASE, LIKE A THIEF,

Steals upon its victims unawares, and before they are aware of its attack, plants itself firmly in the system, and through neglect or inattention becomes

established, and defies all ordinary or temporary treatment to relinquish

its merciless

grasp.

DO YOU KNOW THE CAUSE OF

The wasted form—the hollow cheek?
The withered face—the shallow complexion?
The feeble voice—the sunken, glassy eye?
The emaciated form—the trembling frame?
The treacherous pimple—the untiring sore?
The repulsive eruption—the inflamed eye?
The pimpled face—the rough colorless skin?
and debilitating ailments of the present age?

The answer is simple, and covers the whole ground in all its phases, viz: the

FANGS OF DISEASE

AND

HEREDITARY TAINT

ARE FIRMLY FIXED IN THE

FOUNTAIN OF LIFE—THE BLOOD.

The

INDISCRIMINATE VACCINATION

during the late war, with diseased Lymph has

TAINTED THE BEST BLOOD

in the entire land. It has planted the germ of the most melancholy disease in the veins of men, women and children on all sides, and nothing short of

A HEROIC REMEDY

will Eradicate it root and branch, forever. Such a Remedy is

HENRY'S

CARBOLIC

CONSTITUTION

RENOVATOR.

ON REACHING THE STOMACH, it assimilates at once with the food and liquids therein, and from the moment it passes into the Blood, it attacks disease at its fountain head, in its germ and maturity, and dissipates it through the avenues of the organs with unerring certainty, and sends NEW AND PURE BLOOD BOUNDING THROUGH EVERY ARTERY AND VEIN.

The tuberculos of Scrofula that sometimes flourish and steal the inner coating of the abdomen, like kernels of corn, are withered, dissolved and eradicated and the diseased parts nourished into life. The Torpid Liver and Inactive Kidneys are stimulated to a healthy secretion, and their natural functions restored to renewed health and activity.

Its action upon the blood, fluids of the body, and Glandular System, are

TONIC, PURIFYING AND DISINFECTANT,

its touch disease droops, dies, and the victim of its violence, as it were

LEAPS TO NEW LIFE.

It relieves the entire system of Pains and Aches, enlivens the spirits, and imparts a
Sparkling brightness to the eye,
A rosy glow to the Cheek,
A ruby tinge to the Lip,

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

TUESDAY, MAY 3, 1870.

NOT SO.

If false statements and suppression of truth could consign a man to the Penitentiary, we verily believe that General Clingman's address is sufficient to put him there.

The address says: "In June last, as a Director of the Western North Carolina Railroad Company, I earnestly resisted the motion to allow the President, Mr. Swepson, to sell all the State bonds of the Company at fifty cents in the dollar, taking the ground that no more than one fourth should then be sold, so as to raise merely money enough to supply the demands of contractors for one year in advance."

We learn that General Clingman has said that he *drew up* the bill which required the Treasurer to issue all the bonds of the Company at once. If he did so, it is certain that he was the lobby member of the Legislature for the "Ring," and he read and re-read the bill before it was presented to the Legislature, and talked it all over with Littlefield and Swepson.

This protection to the State should have been incorporated in the bill. The bill should have limited the President in the sale of bonds.

Gen. Clingman says in his address, that he moved for a Committee to examine Swepson's accounts, and that he moved it in order that he might be put on the Committee, but the Chairman refused to appoint him because he was unfavorable to Swepson.

Who this Chairman was does not appear, but the General should have exposed him at the time. As to his not being unfavorable to Swepson, no man believes it.

General Clingman has followed Littlefield and Swepson from Raleigh to New York, from New York to Washington, and home again. He has been their confidential adviser and friend. He knew they had applied the money of the Western N. C. Railroad to Florida speculations. He has Swepson's written obligation to pay him ten per cent upon the profits of those speculations. He has in his pocket Littlefield's bond for $15,000, the price paid for his unclean work.

The General claimed of Swepson and the "Ring" $100,000, and after the State was robbed and plundered, he fell out with the "Ring" about the division of the spoils, or rather, the price which they should pay him for the services he rendered while they, with his knowledge and quiet acquiescence, were despoiling the State.

He is said to be the author of the by-laws of the corporation, under which Swepson sold all the bonds of the Company. He, not on terms with Swepson, out of whom he has made $100,000 (!) Who believe it?

We see by our Wilmington exchanges that Gen. R. E. Lee arrived in that city on Friday last. The *Journal* of that date says:

"Telegrams were received in this city yesterday announcing the fact that General Lee would arrive here from Charleston in the Southern train last night. A special train was arranged, through the courtesy of Col. Fremont, the Superintendent, to start from the depot of the Wilmington & Weldon Railroad for the accommodation of those who wished to greet the great ex-rebel on his arrival. According to arrangement, this train started at 8 o'clock, and proceeded to Meares' Bluff, there to await General Lee's arrival, having on board a large number of friends and the Cadets of the Cape Fear Academy, under charge of General Colston.

After some time spent in waiting the train from the South arrived, and General Lee, by invitation, came into the special train. A suppressed whisper of admiration, respectfully restrained, first greeted his approach. There were only a few in the car at the time, but soon the curious crowd who had rushed outside to catch a first glimpse of the noble form hurried and thronged around his seat. The corps of Cadets were on the platform and received him with arms presented, while the band played an air. We think that General Lee was affected by the sight of the grey worn by the Cadets, which no doubt called forcibly to mind many recollections of the days when "old Marse Robert" was held in such veneration and confidence by thousands of noble and manly hearts which beat beneath many a ragged grey jacket. But the demonstration seemed not altogether pleasing to him. The gratifying news soon spread through the car that General Lee had determined to stop here, but would probably leave to-night. On the arrival at the depot the Cadets formed in line and proceeded to escort him to the residence of Hon. George Davis whose guest General Lee is. From respect to the feelings of the old warrior, no further demonstration which an attached people might otherwise desire to make was insisted on, but the Cadets headed the crowd in a march down town and General Lee was left in peace."

The same paper of Saturday, in speaking of the General's presence in that city, has the following:

Hundreds of friends and admirers of the man who possesses the devoted affection of his own people and the admiration and respect of his former enemies, availed themselves of the privilege of visiting the sterling old patriot at the residence of Hon. George Davis yesterday. It was a reception which truly did the heart good. No formal demonstration, no sycophantic protestations, but purely and simply the homage of hearts overflowing with veneration and true affection, with humble and unselfish reverence to the noble representative of a past made glorious by deeds of romance and heroic sacrifice — people forgetting the present and fondly reverting to the past now enshrined and embodied in the ever faithful leader of its armies. However strongly the hearts of our people may have previously inclined and clung to General Lee this feeling could but be increased and a most favorable personal impression created by his manner of receiving those who called yesterday. There was a tender warmth and cordiality in the grasp of the hand, a gentle dignity in the form of greeting, and a due regard for feelings and appreciation for attentions which won upon all and will ever be remembered. None could fail to be charmed with delight, and the popular heart here swells with increased emotion at the name of General Lee.

The General will take leave of our city to-day. He leaves on a special train this morning, accompanied by his daughter, on his return to his home, but will probably stop in Richmond. We regret that he could not have been here longer, but are pleased that we have at least seen this much of him and seen him so favorably."

The Richmond *Enquirer* of Monday contains many particulars, incidents, &c., of the late frightful calamity. Not having the space to copy the whole, we make the following extracts:

STATEMENT OF MR. BURGESS.

A reporter visited Collector Burgess Saturday afternoon, and found him easier and improving. When he went down he was standing immediately over the fatal girder, with his hands resting on the back of the chair in which was seated the lamented Aylett, and felt the Jar of the floor occasioned by the first crack of the timber.—He fell on his face, and thinks he rested directly on the body of Mr. Aylett, who besought him to try and move so that he might breathe. Mr. Burgess endeavored to do so, but with both arms and both legs firmly pinioned by the timbers, debris, and bodies lying across him, it was impossible to move at all, and he so informed his fellow sufferer. The poor fellow could then barely say, with his fast ebbing breath, "Then I must die. Good bye." "Good bye, poor fellow," said Burgess, and in a moment after he heard in his throat, which was close to his face, the death gurgle, and then he was still in death. Mr. Burgess says that his ears were filled with lamentations and prayers of those around him, some praying that God would have mercy on them and forgive their sins, and imploring Him to rescue them from their dire situation, and promising to lead a life of devotion hereafter; while one, who was apparently an old man was trying to say the Lord's Prayer, but, poor fellow, it seemed as though he knew it but imperfectly, and he would repeat over fragments of it again and again. Some who were strong in voice at first, made loud lamentations, prayers and cries for assistance, gradually became exhausted, and finally the gasp of death would be heard.

DEATH OF W. C. DUNHAM.

This unfortunate gentleman, whose serious injuries by the late calamity are known to the readers of the *Enquirer*, died on Saturday shortly after noon. He was one of Gov. Walker's appointees to the city Council, and was the popular agent of the New York and Richmond steamship line.

A native of Maryland, he became a resident of Richmond before the war, and married the daughter of Mr. Sam'l. Ayres, of this city. He was one of our most prominent and enterprising business men; active, energetic, genial and generous, he was exceedingly popular, and numbered among his friends nearly all of our prominent citizens. His funeral will take place from St. Paul's church at 11 o'clock this morning.

MASTER JOHN M. TURNER.

The House of Delegates passed appropriate and feeling resolutions of respect to the memory of Johnny Turner, the little page who was killed Wednesday. They were ordered to be spread upon the records of that body.

ADDITIONAL CASUALTIES.

Among other persons injured on Wednesday, and whose names have not yet been published, are the following:

Mr. E. S. Howe, formerly of the firm of Howe, Knox & Co., is severely bruised about the abdomen, and left foot severely contused.

Capt. R. Roberts, of Manchester, leg broken.

W. R. Wheely, badly bruised.
Nelson Green, arm broken.
Edward Seems, bruised badly.
Thomas Mosely, not seriously.
Thomas Irving, cut in back.
James Oliver, badly bruised.
William T. Sizer, bruised about head and side.
John Irving, badly stunned.

FUNERAL OF T. S. BALDWIN.

The funeral of this enterprising and highly respected citizen came off Saturday from the Second Presbyterian church.—The services were conducted by the Rev. Dr. Hoge, and a great concourse of sorrowing friends followed to Hollywood all that was mortal of a pure, good, generous man; a man of fine intellect and noble heart; a fond husband, a loving father, a good citizen, in short, a Christian gentleman. He is another of the band who has "gone up higher."

STATEMENT OF GOV. WELLS.

The reporter of the *State Journal* called on Gov. Wells. He found him much improved. He says when he felt the floor sinking, he sprang to the railing around the judges' stand, and had almost gained it, when he was struck on the head by some of the falling ceiling, and, partially stunned, fell back, but in a moment more made another effort, when he was struck on the breast by a falling timber and knocked senseless. In this condition he remained for some moments, but finally crawled forth from the ruins and gained the door of the conference room, where he was met by some one who conveyed him to a carriage. From the Governor's own account, we conclude that he must have gained the judges platform, and was not carried into the vortex created by the falling floor. His condition was much improved Saturday, when he slept, enjoying the first tranquil repose he had had since the accident.

GENERAL CORSE.

The Alexandria *Gazette* says: General Corse returned this morning. He and Mr. Beverly and Mr. Brewis were standing together when the accident happened. With remarkable presence of mind, when he felt himself descending, he pulled his hat down over his eyes and ears and kept his hands clenched upon the brim of his hat. He lighted upon his feet, and was almost the first one to emerge from the rubbish. He only received some slight scratches on the head.

ACTION OF BALTIMORE.

Nearly one thousand dollars have been contributed at the *American* office this morning for the relief of your citizens.

CHARLES C. FULTON.

MEETING OF UNDERWRITERS.

At a meeting of the Board of Underwriters held the 29th of April, 1870, Thos. W. Altfield, Esq., President, in the chair, a preamble and resolutions were adopted expressive of the deep regret felt by them at the death of Captain Wm. A. Charters.

CONDITION OF THE WOUNDED.

Mr. A. B Duesberry, late deputy constable, is improving. The Doctor will not admit any one to see him, and his friends are very anxious to hear from him.

Sergeant Wilkinson, of the police, continues to suffer very much. His friends are not permitted to see him.

The condition of the other wounded, as far as we were able to learn on Saturday night, was as favorable as could be expected under the circumstances.

MEETING IN CEDAR FORK TOWNSHIP.

A meeting of the Conservatives and Democrats of Cedar Fork Township, Wake county, was held at Alfred Pollard's, (Wiley Lynn's old precinct,) Friday, April 29th.

The meeting was organized by calling Solomon Wiggins to the chair, and the appointment of J. W. Wiggins as secretary.

On motion of P. H. Barbee, the chair was requested to appoint a Committee to draw up resolutions for the consideration of the meeting.

The chair appointed Dr. J. G. Allison, S. P. Page, J. Q. Adams, Benj. King, H. Weatherspoon, P. H. Barbee, Thos. Marcum, W. B. Scott, Wm. Carpenter, Needham Stone, M. P. Stone, P. A. Sorrell, Willis Sorrell, V. Castlebery and W. D. Carlton, as a Committee for the aforesaid purpose.

During the absence of the Committee, the meeting was addressed by Messrs. J. Q. DeCarteret and B. Y. Rogers, in an able and eloquent manner, showing up thoroughly and completely, the corruption and rascality of the present administration, and of the Radical party generally.

The Committee then returned and submitted the following resolutions which were unanimously adopted:

Resolved 1st, That the people of North Carolina have given to the Republican party a full and fair trial, and they have failed in every department of the government; more for the want of integrity than ability.

Resolved, 2nd. That the report of the Committee known as the Bragg Committee, shows great corruption in the Legislative, Judicial and Executive branches of the government. The corruption of Judge Watts is shown by the evidence of Sheriff Lee. Executive corruption is shown by the long continuance of Dr. Sloan and Milton S. Littlefield in office when corruption is shown and proven upon them.

Resolved 3rd. That the recent sale of the public school lands of the S ate at 18½ cents per acre, is and should be regarded as a fraud upon the whole people of the

Resolved, 4th. That the sale of the North Carolina Railroad bonds by the State Treasurer to Geo. W. Swepson for sixty-five cents to the dollar, was fraud number two.

Resolved, 5th. That the purchase of 8,000 acres of land for a Penitentiary, was fraud number three.

Resolved, 6th. That the Revised Code, with county Courts is cheaper and better for the people than the new Code with county Commissioners in constant pay.

Resolved, 8th That the costs and charges allowed to clerks, sheriffs, magistrates and constables, under the present system, will oppress and keep poor any people who will submit to it.

Resolved, 9th. That the expulsion of John T. Deweese from Congress should not be a reproach or reflection on the District, as he did not represent either its virtue or intelligence.

Resolved, 10th. That in the late controversy between the Bench and Bar, the Bar was wholly in the right and the Bench wholly in the wrong.

Resolved 11th. That the public drunkenness of the Judiciary has become a reproach to the State and calls for condemnation and reprobation by the people.

Resolved 12th. That we disapprove of all lawlessness and mob law.

Resolved 13th. That we shall endeavor to cultivate kindly relations between the black and white races.

Resolved 14th That the arrest of James Utley and James Holleman, white men, by two negroes, who are neither State nor county officers, was not calculated to promote good feeling between the races.

Resolved 15th. That the imprisonment of these two young men in the common jail without a hearing on Friday last, was an outrage upon the rights and liberties of the citizens, and calls for the just indignation of all men upon Judge Watts and the officers of the law who committed them.

Resolved 16th. That the pardon of William Beattie, by the Governor in two hours after his conviction for stealing a mule and horse from our neighbor Wyatt Holleman, was an abuse of the pardoning power not contemplated by the Constitution.

Resolved 17th. That in our opinion there can be no material or moral improvement to the State, under the present incompetent and corrupt administration, and we are determined to use all proper and lawful means to rid ourselves of it.

Resolved 18th. That the University of North Carolina stands a reproach to the Governor and his administration, as does the unfinished Railroads and the ruined condition of our State bonds, of which he and his administration have had the custody and keeping.

Resolved 19th. That it is high time that the government of North Carolina should be in the hands of North Carolinians, and that strangers, such as Abbott, Ashley, Heaton, Lafin, Deweese, Brewer & Co., be required to depart themselves more after the manner of guests than arrogant lords.

Resolved 20th. That we believe it to be to the interest of the State to call a Constitutional Convention at an early day for the purpose of remodeling the Constitution.

The following nominations for Township officers were then made and endorsed by the meeting:

For Magistrates.—Capt. M. W. Page and Solomon Wiggins.
For Clerk.—J. F. Moring.
For Constable.—A. S. Pollard.
For School Committee.—Wm. Carlton, S. F. Page and Benj. King.

After the appointment of a number of delegates to the County Convention, including the chairman and secretary, the meeting then adjourned.

THE SENTINEL.

CITY AND STATE ITEMS.

TUESDAY, MAY 3, 1870.

☞ THEO. N. HAMAY, as Business Clerk, is authorized to make contracts and give receipts, &c. &c.

WILMINGTON, N. C. LIFE INSURANCE COMPANY.—This is the name of a new Insurance Company recently organized in Wilmington, and as a home enterprise appeals to the people of the State for patronage. We trust that its appeals will not be unheeded, and that a proper State pride and an appreciation of energy and enterprise will enlist the support and encouragement of our citizens.

Among its Directors and Stockholders, we see the names of some of the most high ly respected and prominent gentlemen of our State.

We intended to speak of this company before, but inadvertently neglected to do so.

A reference to our advertising columns will furnish all necessary particulars to those interested in Insurance matters.

THE STANDARD.—The Editor of the SENTINEL and his Assistant, are both absent from the city and will not return in several days. The *locum tenens* therefore, will not notice the abusive and scurrilous article in reference to the Editor, in the *Standard's* issue of yesterday. Mr. TURNER will treat it as it deserves on his return.

I. O. O. F.—We are desired to state that there will be a meeting of the I. O. O. F. at their room this (Tuesday) evening at 8 o'clock. A full attendance is requested.

We are requested to announce that the "Tumbleronican Band," will meet this evening at half past 7 o'clock at their usual place of meeting. Music may be expected by the entire band.

Positively the last day of Dr. Lindoman. If you have corns, bunions or bad nails, don't fail to give him a call. He cures without pain or drawing blood. Dr. Lindoman will positively leave Raleigh tonight. His room is 42, Yarbrough House. Ladies attended at their residences without extra charge.

CONVENTION WEEK.—MR. A. J. RUTJES, proprietor of the National Hotel, Raleigh, N. C. respectfully informs his friends and the public in general, that he has made ample preparations for the accomodation of seven hundred guests during Convention week. Parties wishing to obtain rooms are requested to inform Mr. Rutjes, by telegraph or letter, a day or two in advance, so as to avoid all confusion. The dining room during that week will be conducted on the European plan, meals at all hours.—The proprietor has also opened a first-class bar for the accomodation of his guests, where the choicest liquors and finest brands of imported and domestic cigars can be obtained. d5t.

In Wilmington, on Friday night about 9 o'clock, a white infant, was discovered in the piazza of the residence of Mrs. Marks, on Second street. The little stranger was turned over to the proper authorities.

Bacchus Quince, charged with killing Sandy Sykes at the place of Mr. W. F. Potter, in New Hanover county, November last, was tried and acquitted by the Superior Court of that county on Friday last.

Mr. R. C. Cox, of Oxford, will accept our thanks for a couple of packages of that splendid "Excelsior" Durham Smoking Tobacco, which he manufactures.

It is a prime article, and we recommend it to all lovers of the weed. We know what we are talking about for we gave it a trial.

We are glad to see that our friends in the West are stripping for the fight in good earnest. From an exchange we clip the following:

"At Franklin, Macon County, on Thursday, during the recess of Court, Capt. Robinson, the Representative of the county, and Dr. Love, the Senator of the District, addressed a large and attentive audience of their fellow-citizens in the Court room.—Capt. R's address was confined principally to an explanation of his course in the Legislature, and we are glad to say his action was warmly and almost universally endorsed by his constituents. Should he desire it, he will no doubt be re-elected by a very large majority. At the conclusion of Capt. R's speech, Dr. Love, took the stand. After explaining his course on certain important measures before the late Legislature, he took up the party in power, and undressed the hideous concern, garment by garment, and showed it to be one of the most unsightly monsters ever seen in the South, but not content with this he took the hide off and revealed the fact that it is *rotten to the core.*" The Dr. is a gentleman of first rate ability, and this District should be proud of such a Senator. He will probably be the Candidate in the District during the coming Campaign and of course will be elected, as the vote will stand about three to one in favor of the Conservatives."

GREAT FORTUNES.—Great fortunes are not easily acquired in these days of sharp competition and base treachery. Even when they are acquired, they too often find the possessor a mere wreck, having made a drudge and slave of himself in toiling incessantly for that which he is permitted to hold for a few brief months before he is laid away in the grave. We must confess that in this view of the case, the "GREAT HENDERSON COUNTY, KY. PRIZE SCHEME" has powerful attractions for even the most staid. Here are *great fortunes*, to be won without haggard toil, and the whole secured by a legal *charter*, and in the hands of men of the most undoubted integrity. We are ready to aid any of our friends who may command us, in securing tickets or information about this matter.

"Why do you call me birdie, my dear?" inquired a wife of her husband. "Because," was the answer, "you are always associated in my mind with a bill."

SUPREME COURT.—This tribunal assembles in this city on the first Monday in June next. We are authorized to state that the causes from the several Judicial Districts will be called in the following order:

1st week—1st and 2d Districts.
2nd week—4th and 5th Districts.
3rd week—6th and 7th Districts.
4th week—8 h and 9 h Districts.
5th week—10th and 11th Districts.
6th week—12th and 6th Districts.

On Monday of the first week, applicants for license to practice law will be examined on the "Rights of Property." On Tuesday they will be examined on Pleading, Practice and the Code of Civil Procedure.

The causes from the 1st District will be taken up on Wednesday.

DAVIDSON COLLEGE.—We have received an invitation to attend the second annual Celebration of the "Ugly Club" of the above named institution, on the 30th of June next. We return our thanks to the young gentlemen for the compliment, and will certainly be on hand if our duties at that time will possibly admit of it.

The regular meeting of Hook & Ladder Company, No. 1, which occurs this Tuesday evening, is postponed until to morrow (Wednesday) evening, May 4th, at 8 o'clock, at the Court House. By order of the Foreman.

T. L. LOVE,
Secretary.

THE RICHMOND TRAGEDY.

At the public meeting held on the Capitol Square in Richmond, on Thursday last, among other speakers, the venerable Ex-Gov. Wise addressed the crowd. The following is an extract from the closing portion of his speech, which does credit both to his head and heart:

What brought about this calamity?—War itself has spared this Capitol, and wondrous strange it is that after all the ravages of war *the Capitol fell at itself!*—That astounding incident is itself a lesson which would fill a volume with commentary. This I will say: Strife since the war had brought together an anxious, eager crowd in heavy mass on the weak floor of an upper chamber of this building to hear the decision of a fatal controversy by a supreme court; that a strife precipitated that crowd and crushed the mass to agony and death! That alone is a teaching admonition.

The Capitol is old, it is of the past, passing away. Let it be built anew of the durable and solid granite of your rich river bank, laid deep in the solid soil of our country, and let its superstructure raise a lofty spire towards Heaven, a sign of Covenant with God! And let this be symbolic of a moral and political foundation, laid anew and deep, for a superstructure of love and brotherhood among men, which shall be approved and blessed on High.

And lessons come not alone from the dead, but from the living. From the unknown other world, to whose bourne the dead are gone, no sign can be given. The sign must be given rather from the living, who are spared and are here, and not from the dead, who are taken and who are gone, as I am a living witness and examinate.—Thanks be to my God and my Saviour that I am here a living example of his Merciful, Divine, special Providence. If there be an infidel in this assembly who lacks faith and needs proof let him hear me, a poor sinner saved by the mercy of God's special Providence. I was counsel in this very case of strife and controversy; it was my duty and desire both to be present at the announcement of the opinion of the court in the case; my seat would have been at the very centre of the danger, where my brothers Neeson and Wells, and Meredith and Chandler, were sitting, and who, every one, have been seriously and severely, if not dangerously, wounded and mangled.—They fell in the midst of danger and of death, and their fate would have been my fate, but I was snatched back and detained by a client messenger from heaven at the very moment when I was striving to be present in the court room. One and another conjuncture of circumstances held me back and delayed me to within ten minutes of the terrific disaster. My brother Daniel and myself, one on each side out of six counsel, alone were spared, and certainly for no worthiness of mine. I believe in no blind fate—there is no destiny of man but what God's Providence controls, and I am not ashamed to confess Him only before this multitude of people; and for myself and all I pray that we may devoutly praise Him, and Him only, for his infinite goodness and mercy.

For the Sentinel.

CURRITUCK C. H., N C., April 18, 1870.

Dear Sentinel:—While the present age is laughing in its sleeve at the blunders and blockheads of radicalism, we Currituckians, are having our share of the sport.

One of the most amusing occurrences that has happened among us recently, was a political meeting held by the sons of Ham at this place on the 16th inst. I must tell you of it:

About 11 A. M. they commenced to gang up, one at a time, and by 2 P. M., the deformity of the new political element was pretty well represented.

Under the direction of two or three of their white brethren, they after some trouble, made a genuine old shingle-swamp ro their chairman.

The old fellow seemed thunderstruck. There was no backdown, however, and he managed, with much difficulty, to keep above his tottering knees until fairly seated in front of this Africo-American council.

We are inclined to think they never announced the object of their meeting, if any of them knew; but they managed to scare up a Committee, and when the Committee returned from its consultation, and its chairman told the President of the meeting that, "by his permission the report of the Committee will now be read," poor old Cuffee seemed struck with a fit of consternation, and, when he recovered himself sufficiently, arose with a sheepishness that Radicals only can imitate, and told them, "You all hear di mosbin."

A visitation of grand confusion and sublime disorder followed, and the next we heard like business, was a motion to have proceedings published in the *Standard* and *North Carolinian*. Well, our hero of Ethiopian hue arose to put the question, saying to his admiring worthies, "You all heers di motion to publish di perceedins of di *North Carlosena*," &c. Of course, he had his speech interspersed with a sufficient amount of stammering and stuttering to rise to the true standard of "loil" eloquence, and drew forth another shower of magnificent disorder.

Then came a motion to adjourn, and a hint from some white leader to old uncle Cuffee that he must put this motion. He arose, and after extending his arms, shutting his eyes, and bowing so low as to bring his cranium in contact with the Judge's desk, he stammered out, "You all hears di mosbin now dat we should now p just," and they adjourned.

INVENTUS.

REV. A. B. EARLE.

Mr. Earle is a New England man, and about fifty five years old. He is not remarkable in person or voice, and has none of the graces of the orator, and yet he is the most remarkable evangelist of this age and century. He held a meeting in Richmond last spring, during which some four hundred persons made a profession of religion. As many were added to the churches during a meeting in Baltimore last Fall. Recently three hundred professed conversion in a fifteen days meeting in Mobile, and similar results have attended his preaching in Galveston, New Orleans, Montgomery, Atlanta and Savannah. Next week he will begin a meeting in Charleston, and on the 15th of July he will commence preaching in Raleigh.

It gives me pleasure to unite all the praying people of our community to ask the blessing of God upon this proposed meeting, and to urge all, of every church and creed and condition to attend the preaching of this most extraordinary man.

THE BURNING OF THE RICHMOND THEATRE.

The burning of the Richmond Theatre in 1811, December 28th, is frequently alluded to in comparison with the terrific event of Wednesday. The first play for the night was "The Father; or, Family Feuds." The after piece was a pantomime called "Raymond and Agnes; or, The Bleeding Nun." The first play was ended without accident and the pantomime was brought on. Much scenic effect was requisite, including fire, and in the very first set the fire coming in contact with a curtain set it in a blaze, and in a minute the flames were beyond control. An actor gave the alarm, and the audience, terrified, sought to escape from the house. There was nothing like order. The crowd pressed in the direction of the doors and closed them, and packed the human weight against them so that there was no egress except by lesping from the windows. The flames overtook many in the body of the house, and first suffocating them, afterwards burned them to ashes. Some were trampled to death and afterwards burned. Others were killed jumping from the windows and were burned.

Out of six hundred persons in the theatre seventy-three were burned, including the Governor of the State (GR. ROB W. SMITH) and a number of the most prominent citizens, and many others were severely injured.

The harrowing scenes of this catastrophe may be in some degree imagined. It was one of the most fearful calamities by fire—that terrible agent—that we have read of; and very much exceeded the horrors of the crash in the Capitol on Wednesday.

The Monumental church, as most of our readers know, stands on the site of the theatre, and the monument in front of the church contains the names of those who perished in the fire.—*Dispatch.*

Monday Night Dispatches.

WILMINGTON.

WILMINGTON, May 2.—A much needed rain was falling gently nearly all day, creating great rejoicing among the farmers and gardners but seriously interfering with the 15th Amendment Celebration.

The procession formed at 9 A. M. and marched through the principal streets to Dudley's Grove where short addresses were made by J. C. Abbott and Gen. H. Dockery, when on the account of the unpropitious weather they returned to the city and to a refuge in the City Hall, where Dockery spoke again and was followed by several others.

Delegations were present from several surrounding counties, but not more than 1 000 were in the procession, of which about 28 were white.

The festivities will wind up with a ball at the city hall to-night.

The comparatively small number in the procession is accounted for by the fact that the negroes are now fully satisfied that their right of suffrage is fixed, and that no effort will be made by the southern people to deprive them of it.

Two years ago such an occasion would have brought out not less than 5,000 negroes, but they are now growing tired of parades.

No disturbances occurred, and good feeling exists between the races.

Hundreds of freedmen continued their daily work as usual, seeming to feel no interest in the celebration.

WASHINGTON.

WASHINGTON, May 2.—In the House the bill allowing $3,000 a year to the widow of President Lincoln, passed, yeas 72 nays 52.

A resolution declaring it the sentiment of the American people that an immediate reparation should be made by England for Vessels destroyed by the Alabama, and requesting the President to press the Alabama claims to an immediate settlement, was offered and referred to the Committee on Foreign affairs.

A joint resolution passed declaring the 30th of May as a public holiday to be observed by the people of the U. S. in decorating the graves of Union soldiers.

The tariff bill was taken up and progressed as far as the 18th page of the bill.

In the senate a bill was introduced to enforce the 14th amendment and prohibiting intimidation by refusing to employ, or by discharging, or by otherwise injuring any citizen with an intent to restrain him in the exercise of rights meant to be secured to him by the 14th Amendment. The bill makes such offences punishable by a fine not exceeding $10,000, and imprisonment not to exceed 10 years, and empowers the President to employ land and naval forces to enforce its provisions, and to disband all opposing combinations.

A bill to pay loyal citizens in the rebel States for taking the census in 1869, passed with an amendment to require proof of the loyalty of the person who performed the service, including the oath of the party, if living.

Gen. Canby has issued an order vacating Virginia, and orders his subordinates to report to Gen. McDowell, commanding the Department of the East.

The District Attorney Generalship is at the disposal of Gov. Wells.

A NEW DISCOVERY!!
PHALON'S
"VITALIA;"
OR,
Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

WILMINGTON NORTH CAROLINA
LIFE INSURANCE COMPANY.

—[o]—

BOARD OF DIRECTORS:

JOHN DAWSON,
ALEXANDER JOHNSON, Jr.,
CAPT. JOHN E SPEARMAN,
CAP. I. B. GRAINGER,
GEORGE W. WILLIAMS
B. F. GRADY,
DR. C. T. MURPHY,
COL. L. A. POWELL,
H. B. EILERS,

—[o]—

OFFICERS OF THE COMPANY:

JOHN DAWSON.....President.
B. F. GRADY.....Vice President and Treasurer.
ALEXANDER JOHNSON, Jr.....Secretary.
DR. E. A. ANDERSON.....Medical Director.
WM. A. WRIGHT AND C. M. STEDMAN.....Attorneys.
HON. ELIZUR WRIGHT.....Consulting Actuary.
REV. B. F. MARABLE.....General Superintending Agent.

THE PRINCIPAL OFFICE OF THE COMPANY IS LOCATED IN WILMINGTON, NORTH CAROLINA, No. 5, NORTH FRONT STREET.

THIS COMPANY WAS CHARTERED BY THE LEGISLATURE OF NORTH CAROLINA IN February 1869. The Charter is perpetual, and is very liberal in its provisions.

CAPITAL STOCK $300,000,
WITH PRIVILEGE TO INCREASE IT TO
$1,000,000.

The Board of Directors beg leave to say to the people of North Carolina, that this is emphatically A "HOME INSTITUTION." The stockholders are all North Carolinians of the Board of Directors are all North Carolinians; the officers of the Company are ALL NORTH CAROLINIANS; and the Agents of the Company are all North Carolinians.

Most of the States of the Union, in which Insurance Companies are located, require a heavy deposit from Companies located in other states before being allowed to do business in them; and the Board of Directors of this Company, believing that it was nothing more than "EVEN HANDED JUSTICE" that the Legislature of North Carolina should pass a law requiring such Companies located outside of this State to make a deposit with the Treasurer of the State before being allowed to do business in it, petitioned the Legislature at its late session for the passage of such a law, but that Honorable body turned a deaf ear to our humble petition and refused to do so. Now, we humbly submit that if it is just and right that Insurance Companies LOCATED IN NORTH CAROLINA should be required to make a deposit with the Treasurer of any of her sister States before being allowed to do business in them; then it is equally just and right that Insurance Companies located in such sister States should be required to make a deposit with the Treasurer of North Carolina before being allowed to do business in this State. The Legislatures of other States afford

PROTECTION TO THEIR INSURANCE COMPANIES,

and why in the name of common justice should not the Legislature of North Carolina do the same thing? Has the time not yet come when the "Rip Van Winkle of the South," should wake up? Are the people of the "Good Old North State" to remain forever behind their neighbors in the MARCH OF IMPROVEMENT? Why is it that we cannot establish institutions of our own and protect and support them, and thereby keep our money at home to benefit our own people, in the same manner that the citizens of other States do? Look at the hundreds of thousands of dollars which go out of the State of the people of North Carolina annually, to enrich the Insurance Companies and benefit the people of other States; and what is worse, than a LIE goes to benefit the people of States which refuse to allow NORTH CAROLINA INSURANCE COMPANIES to do business in them without making a heavy deposit. We have not a single word to say against the other Insurance Companies, when such companies in the State are refused protection by our Legislature, we humbly submit that it is the duty of the people of the State to patronize and SUSTAIN OUR OWN COMPANIES; for by doing this they are but simply doing justice to themselves.

The Board of Directors and Officers of this Company assure the people of North Carolina that the Company commences the work of Life Insurance upon a SOUND AND RELIABLE BASIS; and they hereby pledge their honor that the management of the affairs of the company shall be such as will give perfect security and safety to all who may patronize it.

Our Table rates were calculated by the Hon. Elizur Wright, the world-renowned Actuary, and may be relied upon as being correct.

In being a "HOME INSTITUTION" we have no long list of Directors and Stockholders, composed of distinguished gentlemen of other States to spread before you; but we have a respectable list of Stockholders, all of whom are North Carolinians, and a large portion of them will be recognized as being some of the BEST CITIZENS OF THE STATE. Nor have we a long array of names of eminent gentleman abroad to refer to; but we respectfully refer to the good citizens generally of this community.

PURELY MUTUAL. DIVIDENDS PAYABLE AT THE END OF THE FIRST YEAR AND ANNUALLY THEREAFTER.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT—AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Testimonials without number from citizens of this, as well as those of other States might be published, but the above is sufficient. Any person having the light can raise 5 to 10 bbls., of the Fluid in an hour.

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor hopefully for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES P. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of character, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience; men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Place it unquestionably far in absence of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is at the same time, simple in construction, comparatively noiseless, easily understood, and in a word it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs Tompkins' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.
